The Makin' Tracks Program recognizes WMHA MEMBERS for time spent in a saddle or in a horse-drawn cart. Log sheets are available at www.wmhaclub.com or may be obtained by contacting WMHA.

You must turn in your log sheet by September 30 to receive awards at the WMHA Annual Banquet. Time that WILL count toward merit awards are: **non-competitive trail rides, arena or ring work, riding lesson hours, and saddle time spent on your horse or driving time sitting in the cart with the horse in motion.** Time that WILL **NOT** count toward merit awards are: **time spent in the show ring, on competitive endurance rides, or grooming time.**

You must be a WMHA member for each year hours are logged or your hours will be lost with lapse of membership. The calendar year for ride/drive time will begin on October 1 and end September 30. Hours will begin accumulating from date of annual payment if not received prior to October 1.
